Churrasco Nights at Ember Grill & Lounge transport guests to a tantalizing Latino setting with delectable grilled cuisine

Dubai, UAE; June 21, 2011: Ember Grill & Lounge, one of the most popular grill restaurants and lounges in the city, located at The Address Dubai Mall, has introduced Churrasco flavours every Friday.

Churrasco is primarily the Latin American term for succulent pieces of grilled beef and seafood prepared in a traditional manner. Passadors or professional meat carvers will pass from table to table, slicing different cuts of meat from skewers onto the plates of guests, allowing them to savour each delicacy as much as they want.

For a memorable meal with family and friends, enjoy Churrasco Nights every Friday from 6.30pm to 11.30pm, with live entertainment at AED 180 including soft drinks and AED 245 including selected beverages.

Ember Grill & Lounge is a preferred choice for food lovers as well as fashionistas who frequent the Fashion Avenue in The Dubai Mall. Adding to its warm and trendy ambience, the culinary collection is designed to give visitors of the hotel and the adjoining mall a memorable dining out experience.
