**Dubai, UAE; January 18, 2011:** Ember, the grill & lounge at The Address Dubai Mall, a five star premium hotel linked directly with The Dubai Mall, the world's largest shopping and entertainment destination in Downtown Dubai – described as 'The Centre of Now' - has a chic new look and delectable new menu for this season.

Ember is one of the most popular grill restaurants and lounges in Dubai and a preferred choice of food lovers as well as fashionistas who frequent the Fashion Avenue in The Dubai Mall. Adding to its warm and trendy ambience, the new culinary collection is designed to give visitors to the hotel and the adjoining mall a memorable dining out experience.

Described as the place to dine, socialize, meet and be-seen, Ember is the perfect choice for post-work or weekend get-togethers with family and friends. The lounge option further adds to the appeal of a quick meal while out for shopping or after work.

Open for dinner daily from 6.30pm to 11pm, and for lunch on Friday and Saturday from 12.30 pm to 4pm, Ember's new menu has a fine choice of delicacies – prepared by Chef Ivan Sanchez and his team of experienced chefs with global experience.

Among the delicacies are shellfish bisque, beef tartare, tuna carpaccio, crab cakes, and a rich spread of seafood delicacies including Scottish organic salmon, Australian yellowtail kingfish, king prawns and maine lobster. There is an abundance grilled lamb chops, pure angus beef fillet, wagyu burger with smoked peppers, among others.
